Certifications

May 02, 2017

for

Hanif Mirza

West Virginia University Healthcare

Maintaining certifications attests to your dedication to an enduring and beneficial partnership between you and Epic, one which we value and appreciate.

Below are the Epic certifications you have completed, along with which version each certification is current through.

✅ Clarity Data Model - ASAP Certification - Epic 2017 (Proficiency)

If you have questions about your certifications, please contact a trainer in your application or your Epic technical support representative.

Legend:

✅ Certified/Proficient through the most recent Epic version
